## BUYING GUIDE SEPTEMBER 2012

**92 Longoria 2009 Syrah (Santa Barbara County) \$34** A superior Syrah for its dryness, firm texture and restrained yet powerful flavors. Feels really fine in the mouth, with complex, rolling tannins that support waves of blackberry, bacon and sandalwood flavors, as well as something floral—violets, perhaps. Distinguished all the way through, it's fine for drinking now with foods like duck, game, steak or roasted chicken. —S.H. (9/1/2012)
