**2006 Santa Barbara County Alisos**

**Vineyard Syrah** Scents of licorice, fennel and sage place this syrah in the chaparral-covered hills of Santa Barbara. It feels warm without being hot, the herbal aromas forming a savory contrast to the ripe plum and blueberry flavors. The rich texture is lifted by peppery spice, with lasting flavors of juniper and violet. Decant a bottle for venison. (172 cases) *Richard Longoria Wines, Los Olivos, CA. - October 2009 issue.*
